## About TKFGB

---

TKFGB – Traditional Karate-Do Federation of Great Britain – was founded in December 2014.

The mission of TKFGB is to build enhanced self-esteem, sound health, and the strong character of its members through disciplined, hard karate training.

Our objective is to maintain the highest standard of training through continuous improvement of our own skills

We create a strong and healthy community based on the knowledge gained from Sensei Hidetaka Nishiyama, the closest student of Sensei Gichin Funakoshi.

Continuous growth is TKFGB's primary goal.
