

Cotswolds Karate demonstrations – 16.04.15

WTKA (Western Traditional Karate Academy) and TKFGB organised demonstrations at the primary and secondary schools of *Cotswolds* and Great Rissington.

The displays were welcomed enthusiastically by both the students and the staff. They showed a lot of genuine interest and attention which eventuated in starting new groups for the beginning Karate athletes.

Big thanks to TKFGB team for your commitment, positive attitude and good fun.

The results will be seen soon with the kick off of the new karate classes.
